Printer Port: Leave blank for AIMsi v10 and newer

Paper Cut: Click the Epson button for Paper Cut.

Logo Code: If you have uploaded a logo image to the Bixolon Printer then click the Epson button under logo code.

Printer Barcode on Receipt Option: Select the Epson TM-T88II or select Other Printer if your printer does not support this feature.

Workstation: This field should auto fill with your workstation number.

Click "Save" once you are done adding the printer.

4) Test the receipt printer by reprinting the last sales invoice Alt + I or create a new sales invoice.
